

# Looking for an MCG replacement servo motor? Need it in 2-6 weeks?

## Think about ITT.

We can provide direct replacements for most MCG brush and brushless servo motors. Cleveland Motion Controls' replacement MCG motors are typically delivered in 2-6 weeks ARO (not 4-6 months)!

- CMC can cross most QMC/MCG brush and brushless motors
- Motors can be delivered in 2-6 weeks ARO depending on the configuration
- CMC will match
  - QMC/MCG mechanical fit up
  - Connectors & pin outs
- In most cases meet or exceed motor performance
